**Philippians 4:2-3**

*‘The Gospel & Church Conflict’*

**‘Our Abiding Joy in Christ’**

**Sermon Series in Philippians: Part 12**

**Sermon Point (What’s the point of the passage):**

True gospel unity in the church requires believers to be of one mind in Christ.

**Sermon Point (What do we want God’s word to do in our lives?):**

- To ensure that any grievance(s) we may have against another Christian is resolved because we both love and believe the gospel.
- To be proactive in helping believers facing personal conflict to be reconciled to one another because we desire to have a like-minded spirit in Christ prevail among us as a local church.

**Sermon Outline:**

**Troublemakers in the church... must agree in the Lord! (4:2)**

**‘We’re all in this together...’ (4:3)**
