John 3:1-8

‘You Must Be Born Again’

Sermon Point:

To know God and enter His kingdom requires us to be born again/born from above/born of the Spirit

Sermon Aim:

- To avoid any misinformation or confusion about what it means to be ‘born again’.
- To stir up our worship and amazement of God convinced that He alone ‘creates’ Christians through the new birth.

Sermon Outline:

- Our Desperate Need for the New Birth (The New Birth Stated; John 3:1-3)
- The Amazing Nature of the New Birth (The New Birth Explained; John 3:4-6)
- God’s Sovereign Work in the New Birth (The New Birth Performed; John 3:7-8)

Applications:

1. The means God ALWAYS uses to bring the new birth in a person is His Word.
2. We evangelize knowing that God— in His infinite grace— causes lost souls to be born again.
3. All pride and boasting must be set aside.
4. The new birth is God’s answer to the evils in our society.
5. The new birth and the new life go hand in hand.
